## **About the Office of Campus Safety**

The Office of Campus Safety works diligently with WOLBI Security to ensure the well-being of the Davis family and a safe, secure campus by maintaining a safe and peaceful environment and providing communication and workflows between Davis College and WOLBI Security.

The Campus Safety Committee is composed of Director of Operations, Title IX Coordinator, 1 Faculty member, 1 Student, and the Vice President of Academic Affairs. The committee meets once a semester. The committee will review the Campus Safety and Security Handbook and make changes to the handbook.

## **Campus Security Training**

The Bible Institute Security Department conducts security and emergency training at the following times each year. While the training is tailored for certain audiences, it includes emergency procedures, crime prevention and crime reporting.

- Beginning of fall semester students, RDs, RAs, and Bible Institute staff
- Beginning of summer camp - counselors, camp crew, students, camp staff, volunteers
- Spring and summer missions trips - Missions Reality and Student Fusion trip leaders and participants
- Winter - Cross Cultural Interns (CCI) before departing for two-year international deployments
- Fire evacuation drills - twice each year at the BI and once each summer
- Occasionally we partner with local first responders to train in active shooter or mass casualty scenarios.

# Campus Security Authorities

## Security Officers

Word of Life is a proprietary security guard agency registered with New York State. The security personnel include the unarmed security guards, armed security guards, and emergency response team members. Security personnel are not law enforcement officers but derive authority from Word of Life. Arrest powers are limited to the citizen's arrest regulations. Emergency response team members are full-time staff who have other roles within the organization but are armed and trained to respond to violent encounters. Security personnel communicate with local authorities including the NY State Police and the Warren County Sherriff's Department. The Security Department is responsible for the following:

1. Patrolling properties to deter and detect criminal or suspicious activity
2. Providing first aid
3. Enforcing vehicle and parking rules
4. Locking buildings
5. Controlling access to properties or buildings (varies seasonally)
6. Writing reports for incidents
7. Responding to emergencies
8. Assisting visitors
9. Liaison with law enforcement and emergency responders

## Campus Security Authorities and Mandatory Reporters

Davis College and WOLBI encourage campus community members to promptly reports all crimes and other emergencies directly to WOLBI Security. However, we understand that some may prefer to report to other individuals or College offices. Federal and state laws dictate that certain staff members, Campus Security Authorities, are obligated to report crimes to the Security Department, law enforcement, or social services. These staff members include Counselors, Unit Leaders, Resident Assistants, Discipleship Coordinators, Deans, HR staff, Security staff, SIC and Camp Crew Coordinators, Camp Directors, and Childcare staff. Campus Security Authorities (CSAs) must report all known relevant details about all Clery Act crimes to Public Safety, including the nature of the crime, date, time, location, and current disposition. The identity of the victim or perpetrator does not have to be disclosed when making a report to Public Safety. However, if the incident causes a serious or on-going threat or requires the campus community to take immediate action, Public Safety personnel may request further details to ensure the safety and health of the campus community.

## Confidential Reporting

All victims or witnesses of a crime are encouraged to report it immediately to Security. They also have the option of reporting it to local enforcement, or a Counselor, Unit Leader, Resident Assistant, Discipleship Coordinator or Dean. These individuals are required to report certain crimes (crimes against minors or crimes that pose a threat to others), but the victim may choose not to share this information with Security or law enforcement. In that case, the counselor will only report to Security that a crime occurred and the nature of the crime for statistical purposes.

## Notification of Missing Students

General Requirement:

Federal law under (34 CFR 668.46) requires that an institution that provides on-campus student housing facilities must include a statement of policy and procedures regarding missing student notification. The following statement will help fulfill this requirement and provide important information on how the campus community should respond.

Call 518.494.1444 and provide the name and information about the missing person.

Students living on campus have the option to register a confidential contact person to be notified in the

event a student is determined to be missing. Only authorized campus officials and law enforcement officers may have access to this information in the course of an investigation. Parents of dependent students under the age of 18 will be notified.

## **Suzanne's Law**

Signed into law by President George W. Bush as part of the national "Amber Alert" bill, this federal law requires law enforcement to notify the National Crime Information Center (NCIC) any time a person under age 21 is reported missing. Previously police were only required to report missing persons under the age of 18. The law is intended to impel police to initiate prompt investigations of young persons who have gone missing.

## Article 129-B §§ 6439-6449

### Clery Geography

**On-Campus:** Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to, the institution's educational purposes, including residence halls; and any building or property that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes.

**Non-Campus Building or Property:** Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

**Public Property:** All public property, including thoroughfares, streets, sidewalks, and parking facilities that is within the campus or immediate adjacent to and accessible from the campus.

### Preparation and Disclosure of Crime Statistics

The Office of Campus Safety prepares the annual statistics in accordance with the Clery Act. The Clery Act requires the College to report crimes and incidents based on where they occurred. This is referred to as Clery geography. Crimes and incidents that do not occur within the College's Clery geography are not included in the annual statistics reflected in the charts below or submitted to the Department of Education. The Clery Act provides crime definitions, as outlined below, which are based on the Federal Bureau of Investigation's Uniform Crime Reporting Guidelines, and when applicable, New York State Law. Crime statistics are requested from local law enforcement agencies and are reflected in the charts below. Further, please note that statistics reported in the residential facility column are a subset of those reported on-campus.

## Crime and Referral Definitions - § 6439

To understand the statistics presented in the ASFSR, it is important to know that, for some definitions, the Clery Act requires the College to use definitions that may be different than New York State Law and the Student Code of Conduct. Following are Clery Act definitions of crimes and referrals and, when appropriate, New York State Law definitions and/or Student Code of Conduct definitions. Further, crimes are recorded in the annual statistics based on the initial report.

**Accused:** A person accused of a violation who has not yet entered Davis College's conduct process.

Licensed mental health counselors, medical providers and pastoral counselors are examples of institution employees who may offer confidentiality.

**Dating Violence:** violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

For the purposes of this definition: Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

**Hate Crimes:** Davis College and WOLBI strive to foster a safe and healthy learning environment that embodies diversity and inclusion of all members of the College community. A hate crime is a crime that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Although there are many possible categories of bias, under the Clery Act, only the following eight categories of the victim's actual or perceived race, religion, gender, gender identity, sexual orientation, ethnicity, national origin, and disability, are reported. For Clery Act purposes, Hate Crimes include the listed crimes (Aggravated Assault, Arson, Burglary, Dating Violence, Domestic Violence, Fondling, Incest, Manslaughter by Negligence, Motor Vehicle Theft, Murder and Non-Negligent Manslaughter, Robbery, Rape, Stalking), and any of the following that are motivated by bias: Destruction/Damage/Vandalism of Property, Intimidation, Larceny-Theft, Simple Assault, Unfounded Crimes.

## **Affirmative Consent to Sexual Activity - § 6441**

A knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity or gender expression. The following are guidelines for evaluating the effectiveness of consent:

- Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
- Consent is required regardless of whether the person initiating the act is under the influence of drugs and/ or alcohol.
- Consent may be initially given but withdrawn at any time. Individuals choosing to engage in sexual activity must evaluate consent in an ongoing manner and communicate clearly throughout all stages of sexual activity.
- Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs or other intoxicants may be incapacitated and therefore unable to consent.
- Consent cannot be given when it is the result of any coercion, intimidation, pressuring, force or threat of harm, or by taking advantage of the incapacitation of another individual.
- When consent is withdrawn or can no longer be given, sexual activity must stop.
- New York state law establishes that an individual less than 17 years old is incapable of consent.

Consent, Abbreviated: Clear, unambiguous, and voluntary agreement between the participating to engage in specific sexual activity.

Honoring such a request may limit the institution’s ability to meaningfully investigate and pursue conduct action against an accused individual. Factors used to determine whether to honor such a request include, but are not limited to:

# Methods of Mass Communication

## Crime and Fire Log

The Security Department maintains a daily log of crimes, fires, and other activity reported to Security. It is available in the Security Office. Additionally, the Security Department and local law enforcement agencies compile statistics for crimes that occurred on our property. See the Annual Crime and Fire Statistics for more information.

## Emergency Alerts

In the event of an emergency, you will receive an alert via text message and email. Based on your location, you may also receive alerts over the ShoreTel phones, two-way radios, public address systems, or other means. Staff, students, volunteers, family camp guests, and camp youth leaders are enrolled in the alert system automatically. The WOLBI Security Department will test the alert system twice a year, at the beginning of the BI fall semester, and at the beginning of the summer camp season. Please keep your phone number and email address on file up-to-date. Contact your camp office or the Health and Security Department to update this information.

## Campus Security and Access

The Bible Institute campus is generally open during the day and visitors are requested to sign in at the Welcome Center. Access to youth and family camps are limited to staff, registered guests, and approved vendors. Camp visitors must sign in at the front gate upon arrival. Members of the opposite gender are not permitted in housing units for campers, students, or single staff. Students and staff should keep housing doors locked at all times and report unauthorized persons. Classroom doors should be locked during class or other meetings. On occasion, Property Services, Housekeeping, Security, or Student Life may enter housing units to make necessary repairs or inspections. Student Life, Security, and Law Enforcement reserve the right to enter dorm rooms and other buildings to investigate violations and crimes. Security officers patrol during the day to detect unauthorized access and to lock all buildings at night.

# Reporting Procedures

## Authority and Jurisdiction

Campus Security personnel do not have police officer status, and do not have the power of arrest; however, Davis does have a long-established working relationship with local agencies. Since the College is located within Johnson City, the Johnson City Police Department serves as the primary jurisdictional authority responsible for the investigation of criminal matters occurring on campus.

## Reporting

Accurate and prompt reporting of all crimes to Campus Security is encouraged through the use of a logbook, which records accidents, theft and incident reports. Appropriate police agencies are involved through the Director of Security. Cases involving more minor offenses such as petit theft, criminal mischief, trespass, disorderly conduct, vandalism, etc... are reported to the local police depending on the nature and seriousness of the offense, and joint investigative efforts are deployed to handle these matters. Regardless of the nature of the offense, individual perpetrators may be arrested and charged in accordance with state and local laws. Infractions involving College rules and regulations are promptly reported to the Office of Student Development for disciplinary actions.

## How to Report

It is the policy of Davis College to provide immediate assistance to victims of sexual assault. The College encourages you to file a police report, however as a victim, you do have several options, noted below. You can pursue any or all options:

- **Report Incident to local law enforcement:** Law enforcement officers are trained in investigating sexual offenses and supporting victims reporting a sexual offense. With your permission, law enforcement officers have the authority to commence a criminal investigation and prosecution in sexual assault matters. It is standard operating procedure for Davis College and Campus Security to contact law enforcement in all cases of sexual assault, however, you have the option of personally filing a formal report, or not.
- **Report incident to the College Title IX Officer:** Individuals may consider reporting a sexual violence incident to the Davis College Title IX Officer. A Title IX Officer can provide assistance in addressing the incident through consultation, administrative review and/or formal investigation. See <https://davisny.edu/consumer-information/titleix/> for Davis College Title IX Coordinator contact information.
- **Seek counseling and emotional support:** Off campus counseling is available free of charge for Davis College students and can care for student's emotional well-being. Counselors can provide confidential support during a difficult period and afterward. Due to confidentiality, they will not report an incident without your consent, and they will not conduct an investigation. Talking to a counselor in a safe and supportive environment may help you to sort through your feelings and decide what to do. A counselor is available at Sexual Assault Support Services of Warren County, they can be reached at 1.886.307.4086.
- **Seek assistance from the New York State Police Campus Sexual Assault Victims Unit (CSAVU):** The New York State Police have established a dedicated hotline for reporting sexual assaults on college campuses. (1-844-845-7269) This hotline is staffed by New York State Police Sergeants and Communication Specialists working from Troop C-SP Headquarters in Homer, New York. They handle inquiries to the hotline and provide assistance to callers. These same reporting options are available for bystanders. The College strongly encourages bystanders to step up on behalf of another person's well-being when it is safe to do so.
- **Seek support from A New Hope Center:** The New Hope Center's mission is to help survivors see their choices, provide a safe non-judgmental environment, and to educate and inspire the community. They can be reached at 1-800-696-7600 or 607-687-6866 or text 607-972-1996.

## What to do if you are a Victim of Sexual Misconduct

A person who experiences sexual violence will have a number of options for recourse against the accused individual: to make a report on campus, to make a report to law enforcement, to do both or to do neither. First and foremost, the College wants you to get the immediate help you need by following these procedures immediately:

- Go to a safe place. Call a friend, a campus advocate, a family member or someone else you trust and ask her or him to be with you.
- Go immediately to see medical personnel either at Health Services or a local hospital Emergency Department. An individual considering campus and/or law enforcement options against a Respondent should visit a Sexual Assault Forensic Examiner (SAFE) Nurse (also referred to as a Sexual Assault Nurse Examiner) within 96 hours of the incident.
- Do not shower, bathe, douche, or brush teeth, and save all clothing worn at the time of the assault.
- Place each item of clothing in a separate paper bag. Do not use plastic bags.
- Do not disturb anything in the area where the assault occurred.
- Talk confidentially with a counselor who is trained to assist victims with the emotional and physical impacts of an assault and/or sexual harassment. See contact information for confidential on- and off-campus resources listed below.
- The College encourages victims to contact appropriate authorities as soon as that individual is prepared to make a report of the incident, including:
  - The Title IX Coordinator at 518-494-1604 or emailing [sdever@davinsy.edu](mailto:sdever@davinsy.edu);
  - Campus Security by calling 518.494.6200
  - Local law enforcement by dialing 911;
  - New York State Police's 24/7 hotline staffed by specially-trained responders at 1.844.845.7269

## Preserving Evidence

Although it may be difficult following a sexual assault, individuals who are considering or may consider legal action should take certain initial steps in order to preserve the option to pursue any type of criminal charges or campus disciplinary process:

- It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/ linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order.
- In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections.
- Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators or law enforcement.
- Write down as much as you can remember about the circumstances of the assault, including a description of the assailant.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Campus Safety or law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or college officials at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

## Notification to Victims of Crimes of Violence

The College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a

student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

## **Equal Opportunity/Non-Discrimination Policy**

Davis College admits students of any race, color, or national and ethnic origin to all the rights, privileges and programs of the institution. It does not discriminate on the basis of race, color, national or ethnic origin, physical or mental disability, gender or age in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic or other school-sponsored programs.

Davis College reserves the right to operate as a church-related institution and develop policies consistent with biblical principles and the religious tenets of its constituency churches. In keeping with biblical directives regarding gender in pastoral authority, only men will be admitted to the Pastoral concentration. Only women may enroll in Women's Ministries courses. Only men may take Homiletics Lab, and only women may take Ministry Communication for Women, since the presentation of student messages in these courses involves the exercise of spiritual authority.

Believing that all human beings are of equal value in the eyes of God, Davis College deplors discrimination and insensitivity based on differences in race, gender, age, socioeconomic status, physical or mental disability, or cultural differences. Attempts at humor which aim to elicit laughter at the expense of individuals based on these differences is considered to be a form of discrimination that is not acceptable in the Christian community.

The college is seriously concerned about allegations of discrimination and therefore encourages the reporting of such misconduct. Copies of Davis College's complete policy regarding Equal Opportunity and Non-Discrimination are available in the OSD.

The provisions of this article shall apply regardless of whether the violation occurs on campus, off campus, or while studying abroad

Counselors and Advocates - Members of the College community may contact local resources for confidential support. The Official Website of Warren County (<https://www.warrencountyny.gov/da/serv>) maintains updated listings of services. Agencies include:

- Adirondack Samaritan Counseling Center at 518.747.2994
- Sexual Assault Support Services of Warren County at 1.866.307.4086

## Health

Medical Care - Individuals who have experienced sexual violence should visit the Health Services, a local Emergency Department or the local medical provider of their choice for confidential emergency care, whether or not they have any intention of pursuing an on-campus complaint or complaint with local law enforcement. An individual considering campus and/or law enforcement options against a Respondent (accused individual) should visit a Sexual Assault Forensic Examiner (SAFE) Nurse (also referred to as a Sexual Assault Nurse Examiner). SAFE Nurses provide free medical care for victims of sexual assault, and are specially trained in conducting sexual assault exams and collecting and preserving forensic evidence of the assault for possible prosecution of the assailant. Options for seeking medical care include:

- Sexual Assault Nurse Examiner Project (SANE) at Glens Falls Hospital, 100 Park St, Glens Falls, NY 12801, 518.926.3000

A medical exam conducted by a SAFE Nurse (commonly referred to as a “rape kit”) has two goals: (1) to diagnose and treat the full extent of any injury or physical effect and (2) to properly collect and preserve evidence. The exam may include testing and prophylactic treatment for HIV/AIDS, sexually transmitted infections (“STIs”); a vaginal examination; examining for injuries; and drawing blood. There is a limited window of time (typically 72 to 96 hours) following an incident of sexual assault to preserve physical and other forms of evidence. Gathering such evidence does not commit an individual to pursue legal action the assailant, but is important for preserving that option. If you suspect that you may have been given a rape drug, inform the hospital or clinic where you receive medical care and/or ask to provide a urine sample. Rape drugs, such as Rohypnol and GHB, are more likely to be detected in urine than in blood.

Hospitals are not required to report non-identifying information to the College or anyone else. However, hospitals providing care to individuals reporting sexual assault are required to:

- Collect and maintain the chain of custody of sexual assault evidence for not less than 30 days unless the patient signs a statement directing the hospital not to collect it;
- Advise the individual seeking medical treatment related to sexual assault of the availability of local rape crisis services or victim assistance organizations to accompany the individual through the sexual offense exam;
- Medical services to individuals reporting sexual assault who request such coordination and services; and
- Provide emergency contraception upon the patient’s request. Even if an individual who has experienced

sexual violence does not have injuries requiring emergency attention, the College encourages that individual to seek medical care as soon as possible. Most health care providers will encourage an individual seeking medical treatment related to a sexual assault to authorize collection of evidence. (Note: If the individual has not been seen by medical personnel at the time a report is received, the individual will be immediately advised to do so. The College will provide transportation, if needed.) Be aware that medical office and insurance billing practices may reveal information to the insurance policyholder, including medication and/or examinations paid for or administered. The New York State Office of Victim Services may be able to assist in compensating victims for health care and counseling services, including emergency compensation. More information may be found at: [http://www.ovs.ny.gov/files/ovs\\_rights\\_of\\_cv\\_booklet.pdf](http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf), or by calling 1-800-247-8035.

Options are explained here: <http://www.ovs.ny.gov/helpforcrimevictims.html>.

Please note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

# FERPA

## What is it?

The Family Educational Rights and Privacy Act (FERPA) of 1974 is a Federal law designed to protect the privacy of a student's education records. This federal law, known as the Buckley Amendment, was enacted to establish procedures for disclosing information contained in student records, to insure the privacy of these records for the student, to establish the rights of students to inspect their educational records and to provide guidelines for the correction of inaccurate data through informal and formal hearings. Davis College is in compliance with the FERPA guidelines.

The Act applies to students enrolled in higher education institutions as well as K-12 students. If a student is a minor (e.g., under the age of eighteen), the parents or legal guardians are afforded the rights. Only when the student has signed a written release giving their parent(s) or legal guardian access to their record is an institution allowed to release information from the student's education record to parents. The Act also applies to former students but does not apply to applicants for admissions.

According to the American Association of Collegiate Registrars and Admissions Officers the essence of the Act as it affects higher education students and institutions is:

College students must be permitted to inspect their own education records.

Institutions may not disclose information about students nor permit inspection of their records without written permission, unless such action is covered by certain exceptions permitted in the Act.

## What is Davis College's Policy on FERPA

An education record is defined as a record maintained by an educational institution and includes information that makes a student personally identifiable. Davis College will permit students to inspect and review their education records. It will not disclose education records about students nor allow inspection of student records without a written request. Davis College will also release educational records to parents of students only upon receipt of a written request from both the student and parent. Davis College will maintain a record of each request for access to and each disclosure of personally identifiable information from the education records of each student. The college at its discretion may disclose directory information, but students may protect all or part of this data from disclosure. When an individual requests student information from Davis College, the college will respond in accordance with FERPA guidelines.

## What information may an institution disclose?

There are two types of information distinguished under FERPA: [personally identifiable information](#) and [directory information](#). Certain conditions exist with regards to disclosure of each kind of information.

### Personally Identifiable Information

Davis College will not disclose personally identifiable information from the student's education records except with the written consent of the student. Examples of personally identifiable information are:

- The name of the student's parent or other family member
- The address of the student or student's family
- A personal identifier such as the student's Social Security Number or another student identifier
- Other information that would make the student's identity easily traceable

Prior consent, in the form of a signed and dated document, must be provided by the student to the Registrar's Office to authorize Davis College to disclose personally identifiable information. The consent:

- Must specify records that may be disclosed.
- Should state purpose of disclosure.
- Must identify party or class of parties to whom disclosure may be made.

## Primary Exceptions

In relation to postsecondary institutions, prior consent is not required to disclose personally identifiable information:

- To a school official who has a legitimate educational interest.
- A school official is defined as administrative and clerical personnel, faculty, Board of Trustees, persons employed by or under contract to Davis to perform a special task, such as an attorney or auditor, and student workers performing assigned tasks.
- The school official has a “legitimate educational interest” if the official is acting in the student’s educational interest and needs the student record information for the effective functioning of his or her office position.
- To Federal, State and local authorities involving an audit or evaluation of compliance with education programs.
- In connection with financial aid (such as the administration or continuation of aid).
- To the student.

# Violence Against Women Reauthorization Act of 2013

Davis College prohibits the offenses of sexual harassment, domestic violence, dating violence, sexual assault and stalking (those terms are defined on pages 14 through 18) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the college community. Toward that end, Davis College issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a College official.

Davis College does not discriminate on the basis of sex in its educational programs and sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited by Davis College as well as federal law whether sexually based or not and include dating violence, domestic violence, and stalking. Because you are reporting a possible form of sex-based discrimination, Davis College wants to inform you of our policy and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus as well as your rights and Davis College's responsibilities.

As a complainant of sexual assault, dating violence, domestic violence or stalking, you will receive a written explanation of your rights and options. Davis College has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking. These procedures are explained in "Title IX Policy" and include information on your right to file criminal charges as well as the availability of medical, counseling and support services. We also offer additional remedies to prevent contact between a complainant and an accused party, such as temporary or permanent changes in housing, academic, transportation and working conditions, if reasonably available. The Title IX policy also addresses possible sanctions and interim and/or long-term protective measures that Davis College may impose following a report through the final determination of our discipline process. If you would like more information than is contained in this handout regarding any process or procedure, or if you'd like to make a report, ask questions about the Title IX policy, or need to request an accommodation to your living or working arrangements regardless of whether or not you chose to report the crime to law enforcement, or Campus Security, contact the Director of Student Development, Health Services or the Title IX Coordinator.

## Title IX

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex in education programs or activities by recipients of federal financial assistance. # Bystander Intervention

Bystanders play a critical role in the prevention of sexual and relationship violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.

What can Bystanders do to make a difference here at Davis College?

- Believe someone who tells you they have been sexually assaulted, are in an abusive relationship or are experiencing stalking or cyberstalking.
- Watch out for your friends and classmates -- if you come across someone who looks like they are in trouble, check in with them and make sure they are ok. If you see a friend doing something sketchy -- say something.
- Intervene -- when you see something you are uncomfortable with involving another person, or someone is trying to take advantage of another person, step in and take preventative action. If you need further assistance, contact Campus Safety. If off campus, contact 911.
- Speak up -- if someone says something offensive, derogatory, racist or abusive, let them know that this behavior is wrong and not acceptable.
- Don't laugh at racist, sexist or homophobic jokes.
- How to protect yourself from being a victim
- Be cautious and alert
- Do not walk or run alone, use the "buddy" system
- Do not give out personal information such as your phone number, or address to someone you don't know or are newly acquainted with
- Be aware of your surroundings when you are walking across campus, to and from your vehicle, and in remote areas
- Do not meet up with someone in a remote location
- If you live on campus, do not prop residence hall entrance doors open
- Avoid using drugs or alcohol
- When you go to a social gathering, go with a group of friends.
- Don't leave your drink unattended.
- Don't accept drinks that are already open, or from people you don't know or trust.
- Watch out for friends and vice versa.
- If you suspect a friend has been drugged, contact Campus Safety. If off campus, contact law enforcement by calling 911.
